

Disclosures for California Residents

Beginning January 1, 2020, the California Consumer Privacy Act (“CCPA”) provides California residents with additional rights. These additional disclosures are required by the CCPA.

Categories of Personal Information We Collect

We have collected the following categories of personal information from consumers within the last twelve (12) months:

- Identifiers: such as your name, IP address, email, and other similar identifiers.
- Personal information: such as payment information.
- Characteristics about you: such as age and gender.
- Commercial information: such as information about products or services considered, obtained or purchased.
- Internet or other electronic network activity information: such as your interactions with our website.
- Geolocation data: such as IP addresses from which we can determine the general location of your device or computer.
- Professional information: such as data you may provide about your business if you are a reseller.
- Inference data: such information we collect from or about you which we use to better understand your purchase preferences and behavior, including to customize advertising for you.

Categories of Sources of Personal Information We Collect

The sources from which the categories of personal information listed above were collected are noted in the [Collection of Information section of our Privacy Notice](#) and are Information Provided by You, Information Collected Automatically, Information from Connected Products, Information Provided by Third Party.

Purposes of Collecting Personal Information

The purposes from which the categories of personal information listed above were collected are noted in the [Use of Information section of our Privacy Notice](#).

Disclosures of Personal Information

We have disclosed personal information to our affiliates and service providers for business purposes in the prior twelve (12) months. The information we have disclosed for business purposes may include some or all of the categories personal information listed above.

Again, these are:

- Identifiers
- Personal information
- Characteristics about you
- Commercial information
- Internet or other electronic network activity information
- Geolocation data
- Professional information
- Inference data

Sale of Personal Information

None in the prior twelve (12) months.

Rights Under the CCPA

- You have the right to know: what categories and specific pieces of CCPA personal information have been collected about you; the categories of sources from which CCPA personal information are collected; our business or commercial purpose for collecting, using, or disclosing CCPA personal information; the categories of third parties with whom we share CCPA personal information; the categories of CCPA personal information we have disclosed about you for a business purpose. We do not sell personal information.
- You have a right to receive a copy of the specific CCPA personal information we have collected about you.
- You have a right to deletion of your CCPA personal information, subject to exceptions under the CCPA. For example, we may need to retain your CCPA personal information to provide you to complete a transaction or other action that you have requested. If your deletion request is subject to one of these exceptions, we may deny your deletion request.
- We will not discriminate against you based on your exercise any of your CCPA rights.

- If you would like more information concerning the categories of personal information (if any) we share with third parties or affiliates for those parties to use for direct marketing please submit a written request to us using the information below.

To exercise the rights described above, you must send us a request that provides sufficient information to allow us to verify that you are the person about whom we have collected CCPA personal information AND describes your request in sufficient detail to allow us to understand, evaluate and respond to it. We may not respond to requests that do not meet these criteria. We will only use CCPA personal data provided in an exercise of the rights described above to verify your identity and complete your request. We will work to respond within 45 days of receipt.

You may make a request by calling us at 800-588-9030.
